The current "King of the mountain" in the Suzuki stable is the KingQuad 750 Axi. It is no stranger to power, and is a far cry from the first KingQuad in 1991. Suzuki has come a long way since launching the first four wheeled ATV, and the original designers would be surprised and impressed with the options currently available on the 2013 King ...

The Coleman temp comfort quad chair is designed with an integrated, removable layer which is insulated to block wind and help retain body heat in cold temperatures. For warmer weather, simply remove the insulated layer to a breezy mesh seat. The Steel frame supports 113.4 kg (250 lb.). Sit back and enjoy the outdoors in any season.
