Was just bummed that

for 2019, the planner did

not come with a pen, as

Page 24/34

Lettering Cover

File Type PDF

2018 2019

2018 's version did. (not a huge deal, as I still have ink left in that pen, and will use it for the 2019 version :). Some may think that \$24 maybe a little steep for a planner, but for this product 's features, layout of pages, size, and leather like cover, this one is totally worth it; don 't hesitate and get one now!
