~~Amazon.com: abnormal psychology 14th edition~~

The 14th edition includes the most up-to-date and in-depth information about biological influences on the entire spectrum of behavioral abnormalities, while still maintaining its comprehensive bio-psycho-social approach to abnormal behavior. A NEW chapter (Chapter 5) now highlights the role of stress in physical and psychological disorders.

~~Abnormal Psychology, 14th Edition - pearson.com~~

It's a good read that goes far to explain abnormal psychology. I don't know if the 16th edition has much to offer more than the 15th (other than DSM-5 input), but the DSM-5 is under review and expected to update so we can also expect a 17th very soon after. I would rent this book for class and buy the 15th (or 14th) edition after class.
