Does life exist before birth? This is a question that ’ s been contemplated for thousands of years. In the Socratic dialogue, Meno by Plato, the character Socrates attempts to prove that life exists before birth. Instead of innate knowledge that we are simply born with, knowledge that simply comes naturally to us, Plato relies on prenatal knowledge to explain our ability to solve problems in mathematics and philosophy, and suggests that we must have known the answers to these problems all along.

Some say that we are spirit life forces that existed before we were born and will continue to exist after we die. Others believe that our soul had a point of origin and it goes through cycles of birth and rebirth as part of a reincarnation process. However, when it comes to the Bible, many people are not sure what the Bible teaches on the topic.

Before we were born on the earth, we lived in the presence of our Heavenly Father as His spirit children. In this premortal existence, we attended a council with Heavenly Father ’ s other spirit children. At that council, Heavenly Father presented His great plan of happiness or the “ Plan of Salvation, which was ratified by all of us. ”
