The pre-seen material is background information about the fictitious organisation that will feature in the Case Study exam. The pre-seen begins to tell you the story of the organisation, the context in which it operates, markets, competitors and so on. It will form the basis of the tasks that a candidate can expect during the exams.

*CIMA - Pre-seen material*
The pre-seen material gives information about a fictitious organization based upon a real life business or industry, that is the basis for the upcoming CGMA Management Case Study Exam. It is published seven weeks in advance of an exam window. Access the May/August 2021 Management Case Study Exam pre-seen material here.

Full motion video (FMV) games are video games that rely upon pre-recorded television- or movie-quality recordings and animations rather than sprites, vectors or 3D models to display action in the game. FMV-based games were popular during the early 1990s as CD-ROMs and Laserdiscs made their way into the living rooms, providing an alternative to the low-capacity ROM cartridges of most consoles ...
