The intention of the diversity welcome is inclusion. It can be long or short. The more parts or aspects of what is present are named, the more the participants are likely to feel welcome in their diversity. It is a ritual, so don't be bothered by the repetitive phrasing. Take your time with it!

Tools | Training For Change

Ice breakers seem to lay the necessary groundwork for building the trust, connections and relationships that are required for future higher stakes collaboration. I ' m sure there are other ways teachers can do this; I just think day one is the day to start community building, and ice breakers are one means of doing that.
