For other activities within a
maintenance organisation, a Part-66
licence is not required. No Part-66
licence exists for components (based
on article 5 of Commission Regulation
(EU) No. 2018/1142). Remark:
Privileges on the basis of national
requirements may be added in the
Part-66 licence in section XIV.
national privileges.

EASA PART66 Online Training

It exists to use modern technology to its full, to support apprentices and aircraft mechanics in the aircraft maintenance industry, in their efforts to pass the EASA Part-66 licence examinations. We appreciate the difficulty individuals have in finding information, locating good reference books, and most importantly, knowing what to study.
