Despite popular perception that doctors recklessly erred on the side of amputation, surgeons labored mightily to adjust to the medical quagmire of war. And as Brian Craig Miller shows in Empty Sleeves, the hospital emerged as the first arena where southerner

Empty Sleeves: Amputation in the Civil War South by Brian ...

Brian Craig Miller's compelling and insightful Empty Sleeves emphasizes the many ways that Confederate amputees were a " deeply symbolic population " during and after the Civil War (p. 140). Thousands of able-bodied Southern white men lost arms, legs, and other body parts during the conflict, and the medical, psychological, social, and cultural impact of those amputated limbs affected ...

Empty Sleeves: Amputation in the Civil War South | Journal ...

Empty Sleeves in Civil War History and Memory (pp. 1-16) As the guns fell silent and the smoke cleared from the battlefield at Shiloh on April 7, 1862, Union captain John W. Tuttle scoured the torn landscape in search of wounded comrades.

Empty Sleeves: Amputation in the Civil War South on iSTOR

Some amputees, however, found success in politics, where their " empty sleeves " became a powerful symbol, much as the " bloody shirt " did for Northern politicians. Chapter 5, " The State: The Politics of Paying Damages, " concerns the aid eventually provided to disabled soldiers by state governments in the postwar years.

Empty Sleeves: Amputation in the Civil War South by Brian ...

Empty Sleeves: Amputation in the Civil War South., The American Historical Review, Volume 121, Issue 3, June 2016, Pages 940 – 941, ... Each person with an empty sleeve or hobbled leg bore a physical badge of courage that showed everyone how much he had given in the defense of his land.

Brian Craig Miller, Empty Sleeves: Amputation in the Civil ...

Empty Sleeves Amputation in the Civil War South (Paperback) : Miller, Brian Craig : "This will be the first book about the Civil War to examine the meaning of amputation, and of amputees, in the U.S. South. Brian Craig Miller provides medical history of the procedure, looks at men who rejected amputation, and examines how Southern men and women adjusted their ideas about honor, masculinity ...

Empty Sleeves (Paperback) | Chicago Public Library ...

The Civil War created thousands of " maimed men " who returned home with empty sleeves and had to readjust to life without the limbs that many take for granted. These men not only had to deal with uncomfortable and painful prosthetics, they also had to come to terms with how they were treated by their family and community.

Amputations and the Civil War | American Battlefield Trust

Empty Sleeves breaks new ground by exploring those consequences specifically for Confederate soldiers and Southern society writ large, with particular attention to the gendered nature of the surgery. . . . This extremely valuable study of the lives of Confederate amputees, the gender implications of their disabilities, and the societal responses to t he war wounded is very timely in our own day, when, as Miller notes in his epilogue, more amputees are coming home from America ' s wars in the ...

Empty Sleeves: Amputation in the Civil War South (UnCivil ...

And as Brian Craig Miller shows in Empty Sleeves, the hospital emerged as the first arena where southerners faced the stark reality of what amputation would mean for men and women and their respective positions in southern society after the war.

Empty Sleeves - Georgia Press

Amputation is the removal of a limb by trauma, medical illness, or surgery.As a surgical measure, it is used to control pain or a disease process in the affected limb, such as malignancy or gangrene.In some cases, it is carried out on individuals as a preventive surgery for such problems.
