As an engineering physics major, you might be surprised with how much your salary might vary depending on the industry you choose to work in. For example, if you were to work in the education industry, you might only make \$34,128 annually, but you could make \$98,122 in the technology industry. If salary is the most important thing to you, then ...

Sophomore: Cornell is an amazing blend of people from various cultures who have come to one place for the purpose of pursuing an education. I come from a very small town in Maryland. Coming to Cornell has allowed me to experience different cultures in lots of new ways. However, I believe that Cornell could work on accepting people not only from diverse backgrounds, but also from various ...
