The area of intersection illustrates the best idea. Editable graphics with icons and text placeholders. 1 idea + 1 idea = a killer idea! The area of intersection of the 2 light bulbs makes think of a Venn diagram and of the Vesica piscis in mathematics (which is the intersection of two congruent disks, each centered on the perimeter of the other). The union of the 2 shapes means that there are common elements in both.

Innovative ideas lie at the intersection: the intersection of disciplines, of points-of-view, of undergraduate and graduate education, of thought and action. Northwestern students thrive at this intersection. They don't just read, they create. They don't just listen, they react. They don't just perceive, they envision.
