STCW Convention - Wikipedia

Admiralty or maritime law is the distinct body of law (both substantive and procedural) governing navigation and shipping. Topics associated with this area of law may include shipping, navigation, piracy, waters, canals and rivers, national and international commerce, seamen and longshoremen, towage and salvage, wharves, piers, and docks, insurance, maritime liens, and recreational boating.

The Fundamentals of Admiralty Law - Practice Area ...

The article aims at analyzing a reference legal instrument for seafarers' rights - the Maritime Labour Convention, 2006. Created due to the lack of relevance of the body of international labour standards in the maritime sector, the Convention lays down in its regulations a firm set of principles and rights for an entire global industry.

The LHWCA covers a number of different types of employees. While the Jones Act is aimed at seamen, the LHWCA covers any worker in maritime work, meaning that a majority of the employee's work must involve the water or marine transport. Additionally, to be eligible under this law, the employee must work on, near, or adjacent to navigable waters.
