By Go 2 Mommy, October 28, 2020 at 8:51 ... Hopefully, they inspire other ideas for safe celebrations with small groups of loved ones. Here are a few of my favorites that rose to the top.

Safe ways to save Halloween for the kids this year

Now to answer the question is the cat exercise wheels are safe, my answer is yes. However, there are still precautions that are needed to be observed. Also, having your cat play in these wheels is a good thing even if your cat is not obese. It makes the playtime safer than them running and wandering outside.

Are Cat Exercise Wheels Safe? - Optimistic Mommy

Be sure to follow all instructions to keep your family and others safe. This may mean wearing a mask, practicing social distancing, and restricting the use of off-limit areas or places that people tend to congregate.

In order to minimise the risk of widespread re-emergence of COVID-19 in the community, the tripartite partners (MOM, SNEF and NTUC) have introduced enhanced safe management practices at workplaces. Effective implementation of these measures will help to avoid the need to restore tight restrictive measures.

Requirements for Safe Management Measures at the workplace

Safe@Work only shows Work Permit and S Pass holders with valid work passes employed by your company. Passes with the following status will not be shown: Cancelled; Expired; Revoked; Not issued; Non-MOM issued passes and Employment Passes are also not listed as you don't need to provide us with their rest day information.
