Shooting to Kill? : Policing, Firearms and Armed Response

The shooting of Jean Charles de Menezes at Stockwell underground station in 2005 raised acute issues about operational practice, legitimacy, accountability and policy making regarding police use of fatal force. It dramatically exposed a policy, referred to popularly as 'shoot to kill', which came not from Parliament but from the non-statutory ACPO (Association of Chief Police Officers).

Policy Press | Shoot to kill - Police accountability ...

The book comes at a time of significant public and media interest and scrutiny of what the authors term the 'hardest job in policing'—that of the police use of firearms. The Stockwell shooting of Jean Charles de Menezes by Metropolitan Police officers provoked a spectrum of responses, some informed, others not.

It dramatically exposed a policy, amounting to "shoot to kill", which came not from Parliament but from the non-statutory ACPO (Association of Chief Police Officers). This vital and timely book unravels these complex and often misunderstood matters with a fresh look at firearms practice and policy in a traditionally "unarmed" police service.

Shoot to Kill: Police Accountability, Firearms and Fatal ...

Back to the earlier statements—police officers are not taught to kill anyone, nor are they taught to "wound" anyone. Officers do not aim for hands, feet, knees, firearms, knives, etc. Instead, during a deadly force confrontation—when lives are at stake—officers are taught to shoot center mass, meaning the center of their intended target.

Shoot to Kill or to Wound? The Answer May Surprise You ...

The shooting of Jean Charles de Menezes at Stockwell underground station in 2005 raised acute issues about operational practice, legitimacy, accountability and policy making regarding police use of fatal force. It dramatically exposed a new policy, referred to popularly as 'shoot to kill', which came not from Parliament but from the non-statutory ACPO (Association of Chief Police Officers).

Shoot to Kill: Police Accountability, Firearms and Fatal ...

"Shoot to kill policy" The national media has criticised the policies of police forces which they have deemed "shoot to kill." Police firearms training teaches the use and discharge of firearms to "remove the threat" rather than to kill.
