Commedia dell'arte was an early form of professional theatre, originating from Italy, that was popular in Europe from the 16th to the 18th century. Commedia dell'arte was formerly called Italian comedy in English and is also known as commedia alla maschera, commedia improvviso, and commedia dell'arte all'improvviso. Commedia is a form of theatre characterized by masked "types" which began in Italy in the 16th century and was responsible for the advent of actresses and improvised performances bas

Commedia dell'arte, an improvised performance art that flourished in the 16th and 17th centuries, vanished leaving very few traces. What remain, besides some intriguing descriptions, are about a dozen manuscript collections of plot outlines, or scenarios, often written in dialect, which the Italian professional actors must have used to guide them through each drama, from scene to scene and act to act.
