book by the psychiatrist Thomas Szasz, in which the author criticizes psychiatry and argues against the concept of mental illness. It received much publicity, and has become a classic, well known as an argument against the tendency of psychiatrists to label people who are "disabled by living" as "mentally ill".

Thomas Szasz (1920-2012) maintained that, unlike true diseases of the brain and body, mental illness is a destructive social construct that medicalizes living and deprives people of their dignity. According to Szasz, medication, hospitalization and mandated psychotherapy are little more than coercive, dignity-reducing forms of
