Biography of Mary Anderson, Windshield Wiper Inventor
Meet today's Wednesday's Woman, Mary Anderson (1866-1953), the female inventor who created the common, everyday, indispensable windshield wiper. An entrepreneur who was no stranger to innovation, Anderson had been a real estate developer and the owner/operator of a cattle ranch and vineyard in California. In the winter of 1902 she was visiting New York City.

Mary Anderson: The Woman Who Invented the Windshield Wiper ...
That should have made her name. However, Mary Anderson's patent was just a touch ahead of its time – in fact about 17 years ahead. From 1903 to 1920, cars remained few and far between in the US. Many didn't even have a windscreen and those that did rarely went fast enough for the weather to present a problem.
